UNITED STATES DEPARTMENT OF AGRICULTURE

OFFICE OF THE ASSISTANT SECRETARY

WASHINGTON, D. C.

REPORT OF THE ASSISTANT SECRETARY

FOR THE YEAR 1901

IN RESPONSE TO A RESOLUTION OF THE HOUSE OF REPRESENTATIVES

APPROVED: [Signature] ASSISTANT SECRETARY

REPORT OF THE ASSISTANT SECRETARY FOR THE YEAR 1901. The report details the activities of the Department of Agriculture, including the work of the Bureau of Plant Industry, the Bureau of Animal Industry, and the Bureau of Entomology and Plant Quarantine. It also covers the work of the various field offices and the various bureaus and divisions of the Department.

The report is divided into several parts, each dealing with a different aspect of the Department's work. The first part deals with the general work of the Department, and the following parts deal with the work of the various bureaus and divisions.

The first part of the report deals with the general work of the Department. It covers the work of the Bureau of Plant Industry, the Bureau of Animal Industry, and the Bureau of Entomology and Plant Quarantine. It also covers the work of the various field offices and the various bureaus and divisions of the Department.

The second part of the report deals with the work of the Bureau of Plant Industry. It covers the work of the various divisions of the Bureau, including the Division of Forestry, the Division of Horticulture, and the Division of Agriculture.

The third part of the report deals with the work of the Bureau of Animal Industry. It covers the work of the various divisions of the Bureau, including the Division of Veterinary Medicine, the Division of Poultry, and the Division of Swine.

The fourth part of the report deals with the work of the Bureau of Entomology and Plant Quarantine. It covers the work of the various divisions of the Bureau, including the Division of Entomology, the Division of Plant Quarantine, and the Division of Horticulture.

The fifth part of the report deals with the work of the various field offices of the Department. It covers the work of the various bureaus and divisions of the Department, including the Bureau of Plant Industry, the Bureau of Animal Industry, and the Bureau of Entomology and Plant Quarantine.

The sixth part of the report deals with the work of the various bureaus and divisions of the Department. It covers the work of the various bureaus and divisions of the Department, including the Bureau of Plant Industry, the Bureau of Animal Industry, and the Bureau of Entomology and Plant Quarantine.

The seventh part of the report deals with the work of the various bureaus and divisions of the Department. It covers the work of the various bureaus and divisions of the Department, including the Bureau of Plant Industry, the Bureau of Animal Industry, and the Bureau of Entomology and Plant Quarantine.

The eighth part of the report deals with the work of the various bureaus and divisions of the Department. It covers the work of the various bureaus and divisions of the Department, including the Bureau of Plant Industry, the Bureau of Animal Industry, and the Bureau of Entomology and Plant Quarantine.

The ninth part of the report deals with the work of the various bureaus and divisions of the Department. It covers the work of the various bureaus and divisions of the Department, including the Bureau of Plant Industry, the Bureau of Animal Industry, and the Bureau of Entomology and Plant Quarantine.

The tenth part of the report deals with the work of the various bureaus and divisions of the Department. It covers the work of the various bureaus and divisions of the Department, including the Bureau of Plant Industry, the Bureau of Animal Industry, and the Bureau of Entomology and Plant Quarantine.
